BOOK BUYING'S A HEADACHE.

We make it easier.

How to buy textbooks at the Illini Union Bookstore:

1. Bring your student schedule. It has all the information you'll need when buying books.
2. All the textbooks are arranged alphabetically by course title. The courses are listed in numerical order and are divided by course sections.
3. Every stack of books is coded by an INFORMATION TAG. The tag is pictured below and gives you some important information.
4. If you get confused or cannot find the books you need, ask the people in the "YES, I WORK HERE" vests for help. Their job is to help you and make your book-buying easier.
